Marquette Harbor

January 1, 2026

Dear Sir or Madam

Rotary Marquette Harbor (Formerly known as Marquette Breakfast Rotary) has been proudly serving the community for 36 years. Our club is committed to enhancing programs and activities that benefit youth in our community. The mission of the Club is to abide by the object of Rotary and to help foster the development of youth both locally and internationally. We accomplish this mission by directing the monies we raise through our fundraising projects to non-profit agencies and organizations that provide services and support directed at promoting healthy environments, lifestyles and activities for young people.

Rotary Marquette Harbor hosts an annual event called the Fishboil. Proceeds from the event are directed back into the community to worthy programs, groups and activities that foster the youth in our area. Since 1992, proceeds from our event totaling over \$720,000 of community impact. Examples include donations to k-12 school extracurricular clubs and activities, Boy Scouts, Girl Scouts, Camp Star and so many more. The Fishboil includes a unique "Fish Boil" dinner, silent and live auction and the opportunity to honor and support the mission of Rotary. Approximately 350 people attend this event each year and the club raises approximately \$50,000 in revenue which in turn is donated towards our community grant program.

We are writing to you in hopes that you will consider making a donation towards our live and silent auction. Your donation will be prominently displayed on our auction table and you will be given significant recognition for your contribution. We utilize social media, local news, program recognition and verbal acknowledgements at the event.

We thank you in advance for any support you may be able to provide for this event. Please feel free to contact me if you have any questions or need additional information. On behalf of all of us at Rotary Marquette Harbor in Marquette, Michigan, Thank you for your support and consideration. Our Federal Tax ID Number is 38-2968268.

Sincerely,

Jennifer Legault
